Mrs. Galough

Why you should go to St. Ambrose

I believe St. Ambrose is the place to go. St. Ambrose School offers a lot of things but I will only say two reasons to come here. One is cool clubs.

Some of the clubs are Art club. Some more clubs are Dance party, stem, choral and so many more. I go to art club with Sister Vivian every Wednesday.

Another reason is the exceptional staff. Mrs. Galough is the fourth grade teacher and very nice and so is the other staff to. Our principal Mrs. McGraw and all the staff have different traits but they all care about every one and they are all very nice.

As you can see St. Ambrose is a great place to be for parents, staff, and kids
