## Why you should come to St. Ambrose

I believe St. Ambrose is the place to go to school. There are many reasons to come here, but I think the two best things we offer are aftercare/afterschool activities and religion classes.

One reason you should come to St. Ambrose is that there are lots of afterschool clubs, groups, and activities. We have odyssey of the Mind, Stem club, Tie Kwon Do, and so much more! 😊 Another reason you should come to St. Ambrose is that it teaches about the catholic religion. Students can also do their first communion and first reconciliation here. We have an attached church and parish center and our pastor is Father Anthony Barrett. We have monthly school masses and 9:00 masses for the public every Monday.

As you can see, St. Ambrose is the place to send your child if you work late or they want to do extra-curricular activities. It is a welcoming, spiritual, and loving community.
