### **Why St.Ambrose**

In my opinion, St.Ambrose is the place to be. There are many reasons to come here but I fell the after school program the sports teams and the smaller class sizes make us great!

We have great after school programs/clubs and sport teams. Our sport teams include basketball, flag football and our soccer team. Our mascot is the bee because in case you didn't know St. Ambrose himself was a beekeeper.

The second reason is the smaller class sizes. There is less talking and less drama. We have less behavior issues so more learning takes place.

As you can see St.Ambrose is the school for you and me too!
